## Phonics and English Readiness Program

Little Otters' Phonics and English Readiness Program is a dynamic curriculum designed to lay the foundation for early literacy. Through interactive and engaging activities, children explore phonics, letter recognition, and basic English language skills. Our program sparks a love for language, setting the stage for a successful learning journey.

# School Readiness Program

Prepare your child for success with Little Otters' School Readiness Program. Our comprehensive approach focuses on developing essential skills, including socialization, early math concepts, fine and gross motor skills, and cognitive abilities. Through a mix of play-based learning and structured activities, we ensure your child enters school confidently and well-prepared for academic and social challenges

# Technology-Enabled Learning

Little Otters embraces the future with our Technology-Enabled Learning initiative. Integrating age-appropriate technology, we enhance the educational experience, promoting digital literacy and preparing children for the modern world. Our approach combines interactive tools with traditional teaching methods to create a well-rounded and forward-thinking learning environment.

# Little Otters' unique pedagogy

At Little Otters, greatness is embodied in our exceptional teaching team. Our educators are not just instructors; they are dedicated mentors and nurturing guides committed to shaping the bright minds of tomorrow. Here are a few reasons why our teachers stand out:

**Passionate Dedication:**

Our teachers are fueled by a genuine passion for early childhood education. Their dedication goes beyond the classroom, creating an environment where learning is not just a job but a heartfelt commitment.

### **Expertise in Early Childhood Development**

Armed with specialized knowledge in early childhood development, our teachers understand the unique needs of young learners. Their expertise allows them to tailor lessons to cater to each child's individual growth and milestones.

### **Creative Teaching Approaches**

We celebrate the art of teaching, and our educators bring creativity into every lesson. From interactive activities to imaginative storytelling, our teachers make learning a joyous and engaging experience.

# Your child's safety is our number one priority.

## **Controlled Access Entry**

Implement a secure entry system to control access, ensuring only authorized individuals can enter the premises.

## **CCTV Surveillance**

Deploy comprehensive CCTV surveillance across key areas to monitor and enhance overall security within the facility.

## **Strict Check-Out Procedures**

Enforce stringent check-out procedures, verifying the identity of individuals picking up children to maintain a safe release process.

## **Emergency Response Plans**

Develop and regularly practice emergency response plans, including drills for various scenarios, to ensure a quick and efficient reaction to potential security threats.
